## About NICMAR

The National Institute of Construction Management and Research (NICMAR), has been constituted as a non profit organization with the express objective of engaging in activities for the promotion of training, research, professionalism and skill formation at all levels of the construction and other allied industries. Besides that, NICMAR's objectives include undertaking special projects, collaboration with other organizations, dissemination of knowledge through seminars / conferences, etc; publishing literature, undertaking consultancy and taking necessary actions conducive to fulfillment of the objectives of the Society. Under the Bombay Public Trust Act, 1950, NICMAR was registered as a Public Trust in 1982. The NICMAR Society was constituted in 1984 and registered under the Societies' Registration Act, 1860.

## Why NICMAR

NICMAR, with its pan-India presence in Pune, Hyderabad, Goa and NCR Delhi, is a pioneer provider of industry focused postgraduate programmes in construction management, real estate, engineering management and infrastructure disciplines. Our qualified faculty combined with industry practitioners always strive for providing excellent student experience, delivering depth and breadth of course content, well researched cases, state of the art software applications for better employment prospects. NICMAR hosts large number of employers every year from within India and abroad to recruit NICMAR graduates making us leading institute producing employment ready professional with techno-managerial skills. NICMAR alumni have global presence and are in leadership roles in prestigious organizations and industries. These are just a few reasons to join NICMAR Post Graduate Programmes for building your career in the construction management, real estate, engineering management and infrastructure sectors (Refer webpage: [www.nicmar.ac.in](http://www.nicmar.ac.in))

**NICMAR Campuses:** Pune, Hyderabad, Goa, Delhi, Mumbai

## NICMAR Post Graduate Programmes

1. Two Year Post Graduate Programme in Advanced Construction Management (PGP ACM): Offered from Pune, Hyderabad, Goa and Delhi NCR Campuses
2. Two Year Post Graduate Programme in Engineering Project Management (PGP EPM): Offered from Pune and Hyderabad Campuses
3. Two Year Post Graduate Programme in Real Estate and Urban Infrastructure Management (PGP REUM): Offered from Pune Campus
4. Two Year Post Graduate Programme in Infrastructure Finance, Development and Management (PGP IFDM): Offered from Pune Campus
5. One Year Post Graduate Programme in Management of Family Owned Construction Business (PGP MFOCB): Offered from Pune Campus
6. One Year Post Graduate Programme in Quantity Surveying and Contract Management (PGP QSCM): Offered from Pune and Hyderabad Campuses
7. One Year Post Graduate Programme in Health, Safety and Environment Management (PGP HSEM): Offered from Hyderabad Campus
8. One Year Post Graduate Programme in Construction Logistics and Supply Chain Management (PGP CLSCM): Offered from Hyderabad Campus

## **SYNOPSIS OF THE WORKSHOP**

Employability issues in the field of core sectors have afflicted the majority of Civil Engineers passing out from universities / colleges. NICMAR - Hyderabad has designed this 02-days effective training programme to bridge the gap. This Finishing School is intended for every student who wants to be part of any esteemed organization as an employee. This will be an interface to make the passing out graduates as industry ready.

## **HIGHLIGHTS OF WORKSHOP**

- Bridge the gap between college study and Industry practice
- Transforming the students into employees from Day - 1
- Learning of relevant practice and unlearning of obsolete teachings
- Inculcating discipline, values, and quality awareness among the young professionals.

**TARGET GROUP** Civil Engineering Students

**DATES** 26<sup>th</sup> and 27<sup>th</sup> November 2021

**VENUE** NICMAR Campus, Shamirpet, Hyderabad

**CERTIFICATE** Participants will be awarded an E-Certificate of Participation

**WORKSHOP REGISTRATION FEE**  
**Rs. 1000/- per student**  
(Inclusive of GST, lunch and refreshment for 02 days)

## **HOW TO REGISTER**

- Fill in the Registration Form enclosed.
- NEFT / RTGS details are provided in the registration form.
- Demand Draft, drawn at par, in favor of NICMAR, payable at Hyderabad
- Mail the Registration Form along with the Draft to the address given.
- Email the registration form along with payment confirmation details to [mdp.hyd@nicmar.ac.in](mailto:mdp.hyd@nicmar.ac.in)

### **Address:**

**National Institute of Construction Management and Research (NICMAR)**  
**H.No. 7-06, Shiksha Vihar, Jagganguda, Aliabad (PO), Shamirpet,**  
**Hyderabad, Ranga Reddy (Dist), Hyderabad 500101**  
**(B) 040 6735 9500**

# Two days Finishing School Workshop for Graduating Civil Engineering Students

*26<sup>th</sup> & 27<sup>th</sup> November 2021*

## *Tentative Schedule*

<p>Cost Estimation</p> <p>Specification</p> <p>Communication Skills</p>	<p>Prof. T. Seshadri Sekhar</p> <p>Prof. B. Ravinder</p> <p>Prof. Gandhi Apparao</p> <p>Prof. Savitha Chilakamarri</p> <p>Prof. Prashath Kumar Sreram</p>
<p>BIM</p> <p>Primavera</p> <p>Communication Skills</p>	<p>Prof. Vijayeta Malla</p> <p>Prof. K Ravindranadh Chowdary</p> <p>Prof. Mukkamala Ram Babu</p> <p>Prof. Savitha Chilakamarri</p> <p>Prof. Prashath Kumar Sreram</p>

*(This Programme will be delivered By NICMAR'S Senior Faculty and Industry Experts)*

## Faculty Profiles

**Prof. Seshadri Sekhar Tirumala**, Dean, is with 25 years of teaching experience with a couple of industrial experiences. He has pursued his M.Tech in Structural Engineering from JNTU, Hyderabad; MS in Software Systems from BITS, Pilani; Doctorate from JNTU, Hyderabad. His specializations vary among Engineering, Construction Management, Construction Methods & Techniques, Construction Material Management, Principles and Practices of Structural Engineering.

**Prof. B. Ravinder**, Associate Professor is a Civil Engineer with 27 years of experience in handling international projects across the globe. Simultaneously he has pursued his academic interests and has qualifications of M.Tech (HWRE), MBA (Technology Management), M.Phil (Management), Advanced Post Graduate Diploma in Quantity Surveying and Valuation and carrying his doctoral research work from KLE-Vijayawada.

**Prof. Apparao Gandhi**, Assistant Professor, had worked as an Engineering consultant for ALSA Road Construction, Canada and research associate at Construction Engineering, University of Quebec, Canada. Prior to that he worked as a Project Manager (Civil Infrastructure Projects) for IMC Worldwide USA. He is certified Machine Learning (ML) and Artificial Intelligence (AI) professional.

**Prof. Vijayeta Malla**, Assistant Professor, is a PMI certified PMP® (Project Management Professional), LEED® Green Associate™, and Certified Lean Six Sigma Black Belt with over 14 years of demonstrated history of working in the AECO & Academia industry. She is currently pursuing a Ph.D. from IIT Bombay and possesses Masters (M.Tech) from IIT Madras in Construction Technology & Management specialization under BIS (Build India Scholarship) from M/s L&T(2009-11).

**Prof. Ravindranadh Chowdary Kamma**, Assistant Professor is with 5 years of teaching experience and 8 years of industrial experience. He has pursued his M.Tech in Constructin Technology & Management from IIT, Madras; currently carrying his doctoral research work in Civil Engineering from IIT Delhi. His specializations vary among Estimation & Quantity Surveying, Microsoft Project & Primavera, Project Management Systems & techniques, Construction equipment Management

**Prof. Mukkamala Ram Babu**, Assistant Professor has pursued B.Sc (Electronics) from OU, MCA from IGNOU, M.Tech (Computer Science & Engineering) from Nagarjuna University, and currently carrying his doctoral research work in Computer Science from Dravidian University, Kuppam, AP. His specializations vary among Project Management, Management Information System, Relational Database Management System, Systems Analysis and Design, Software Engineering & Quality Management, Data warehousing and Data Mining

**Prof. Savitha Chilakamarri**, Assistant Professor has pursued BA (English) and MA (English and Literature) from Sri Sathya Sai Institute of Higher Learning, Puttaparthi; UGC (NET) Qualified with JRF/SRF, CIDTT (Cambridge International Diploma for Teachers and Trainers) and received doctorate from University of Hyderabad in English language. Her Specializations vary among English Language, Communication Skills, Technical Report Writing, Professional Communication, Business English, Communicative English, Analytical Essay Writing, Managerial Skills Workshop, Business And Project Management

**Prof. Prashanth Kumar Sreram**, is a certified Project Management Professional PMP® and M.Tech Construction Technology and Management, with 11 years of Construction Project Management experience. With an avid interest for transforming students to be industry ready, he moved to teaching by joining as faculty at National Institute of Construction Management and Research (NICMAR), Hyderabad, since 2018. His areas of interests include Contract and Claims Management, Proposals Engineering and Project Management. He is currently pursuing Ph.D at IIT Bombay.
