Note 1:

Overall per student average compensation package for all campuses together equals approx. Rs.6.75 lakhs per annum, so far. In addition significant number of companies includes allowances / accommodation / site allowances / reimbursements / variable pay / transportation in their offers. The value of these perquisites is not included in the average compensation package calculation.

Note 2:

Please note that our institute is not a placement agency and does not guarantee placements.

NICMAR will not be responsible for any issues related to Job Placement arising between employer and an employee who happens to be NICMAR alumni of a batch just passed out.
